Summery

As a third-year Computer Science student at Addis Ababa University, I am passionate about leveraging my technical skills and expanding my knowledge in machine learning, programming, and problem-solving. I am highly motivated to gain practical experience through internships and projects, while contributing to innovative and impactful solutions.

Education

Addis Ababa University, Addis Ababa, Ethiopia
- Bachelor of Science in Computer Science (Expected April 2026).
- Predicted Grade: High Level.

Saint Joseph School, Addis Ababa, Ethiopia
- Graduated: August 2022.
- Graduated with honors, ranking in the top 10% of my class, excelling in both math and physics.

Achievements

Tutoring & Education Initiatives
- Co-founded *Abyssinia Education Consultancy*, connecting university tutors with high school and elementary students, improving academic performance of students by 30 to 50%.

Coding & Technical Projects
- Built multiple creative coding projects in languages such as C++, JavaScript, and Java, showcasing problem-solving skills and coding expertise.
- Developed and launched a prototype for a moving services app, similar to Uber, designed to help truck owners and households coordinate moves efficiently.. (in progress)

Skills

Front-end Development
- Technology Stack : HTML, CSS, JavaScript.
- Tools : Github, ReactJS.

Programming languages
- Proficient in C++, JavaScript, Java, C, and Python.

Machine learning
● Familiar with using google Google APIs.
Languages
● English (Fluent)
● Amharic (Native)

Extra curricular Activity

Coding Competitions
● Actively participate in various hackathons, LeetCode competitions, and Codeforces contests to continuously develop and sharpen my skills as a programmer.
Online Courses and Certifications
● I take various courses from platforms like Coursera to earn certificates that enhance my knowledge and skills.
Teaching and Mentoring
● I co-founded a tutoring organization called Abyssinia Education Consultancy, aimed at providing students with support in various subjects, including programming.
